

ARES volunteers are licensed amateur radio operators who are organized and highly trained to provide emergency communications during emergencies and public service events. “When all else fails” is a motto of ARES because in many instances, amateur radio communications are operational when other communications systems have failed or are overburdened.

Dickson County Amateur  
Radio Club

P.O. Box 1702  
Dickson, TN 37056

The Purpose of the Dickson County Amateur Radio Club (DCARC) is to further the exchange of information and cooperation between members, to provide radio knowledge, fraternalism, and individual operating efficiency, to conduct club programs and activities as to advance the interests of amateur radio in the community and to perform organized public service during emergencies and disasters.

## Monthly Club Meetings

7:00 p.m. the second Monday of each month.

## Weekly Nets

### Tuesday- WC4DC

We hold a 2-meter net every Tuesday night at 7:00 p.m. on the White Bluff repeater frequency is 147.375 pl tone 146.2. We sometimes are also connected to McEwen repeater. You do not need to be a member of Dickson County Amateur Radio Club to participate.

### Thursday- ARES

We hold a 2-meter net every Thursday night at 7:30 p.m. on the White Bluff repeater frequency is 147.375 pl tone 146.2. We sometimes are also connected to McEwen repeater. You do not need to be a member of Dickson County Amateur Radio Club to participate.

## VE Sessions

The Dickson County ARC will hold VE sessions regularly throughout the year. Walk-ins welcome & reservations accepted. The Tech, General and Extra exams will be available. Website and Slack will have the most up-to-date information.

VE Testing Sessions held at 7:00 p.m. at Colton's Steak House 2431 Hwy 46 S, Dickson, TN 37055

## Classes

The club holds Technician and General classes a time or two each year. This provides an opportunity for in person instruction and a way to get connected with members of the club. For the upcoming announcements please check the website or Slack channel.

## Get Active!

- Foxhunting (Radio Direction Finding) is done during the warmer/nicer times of the year. It is an adult game of hide and seek throughout the county using handheld radios.
- ARRL Field Day is the single most popular on-the-air event held annually in the US and Canada. On the fourth weekend of June of each year, thousands of radio amateurs gather with their clubs, groups or simply with friends to operate from remote locations.
- The Tennessee QSO Party is an annual amateur radio event which takes place on either the first or second Sunday of September. All amateur radio operators in the great state of Tennessee are encouraged to participate as antennas around the world rotate and point to the volunteer state.
- POTA (parksontheair.com) is an activity designed to promote emergency awareness and communications from national/federal and state/provincial level parks.
