

# Dickson County TN ARES & SKYWARN Net Script (2026)

CQ, CQ, CQ this is \_\_\_\_\_ (your call sign) calling the Dickson County TN ARES and Severe Weather Net. The KG4HDZ repeater frequency is 147.375 with a plus offset and a PL tone of 146.2.

My name is \_\_\_\_\_ (first name), located in \_\_\_\_\_ (city or nearest city), Net Control for tonight's session.

This net meets on Thursday nights at 7:00 PM as a public service. All licensed amateur radio operators are invited to participate.

**For emergencies use BREAK, BREAK, identify yourself, and net control will stand by for your emergency traffic.**

## Net Check-Ins

- Is there any emergency or priority traffic? (*Pause and stand by if any is heard.*)
- Are there any mobile, low-power, or short-time stations wishing to check in? (*Pause and acknowledge them.*)
- Are there any stations with traffic, announcements, or technical questions? (*Pause and acknowledge them.*)
- We will now take check-ins from any station, with or without traffic.  
**Please come with your call sign, first name, and location.**  
(*Net Control logs and acknowledges each check-in.*)

## Comments

We will now go down the list of check-ins for comments.

(*Net Control: Call each station in order. Acknowledge comments and move down the list.*)

## Final Call

Are there any more check-ins or traffic for the ARES and Severe Weather Net?

(Optional: Add a "This Day in History" fact, Question of the Day, etc.)

## Net Closing

Tonight, we had a total of \_\_\_\_\_ (insert number) check-ins.

This net meets each Thursday night at 7:00 PM, holidays excluded, as a public service. Thank you to all who participated. I am now closing this session of the Dickson County Tennessee ARES and Severe Weather Net.

This is \_\_\_\_\_ (your call sign), clear and returning the frequency and repeaters to normal operation.

**Net Control: Please remember to send your check-in list, including any relay stations, to your Emergency Coordinator (EC) following the net.**
